FEATURES & BENEFITS

Double-Sided

Can be flipped and turned each season for longevity.

Innerspring coils

This traditional feel provides firm yet responsive support.

100% Cotton Batting

Uniquely absorbent and naturally breathable for cool, comfortable sleep.

Hand-Tufted

Keeps all of the materials in place with no sagging or shifting.

Long-Lasting Durability

Traditionally made with quality materials and thoughtful design.

Clean, Healthy Sleep

Non-toxic, natural materials from a healthy sleep environment with no petroleum-based "off-gassing."

Cool Comfort

Natural materials provide breathability for body-temperature regulation.

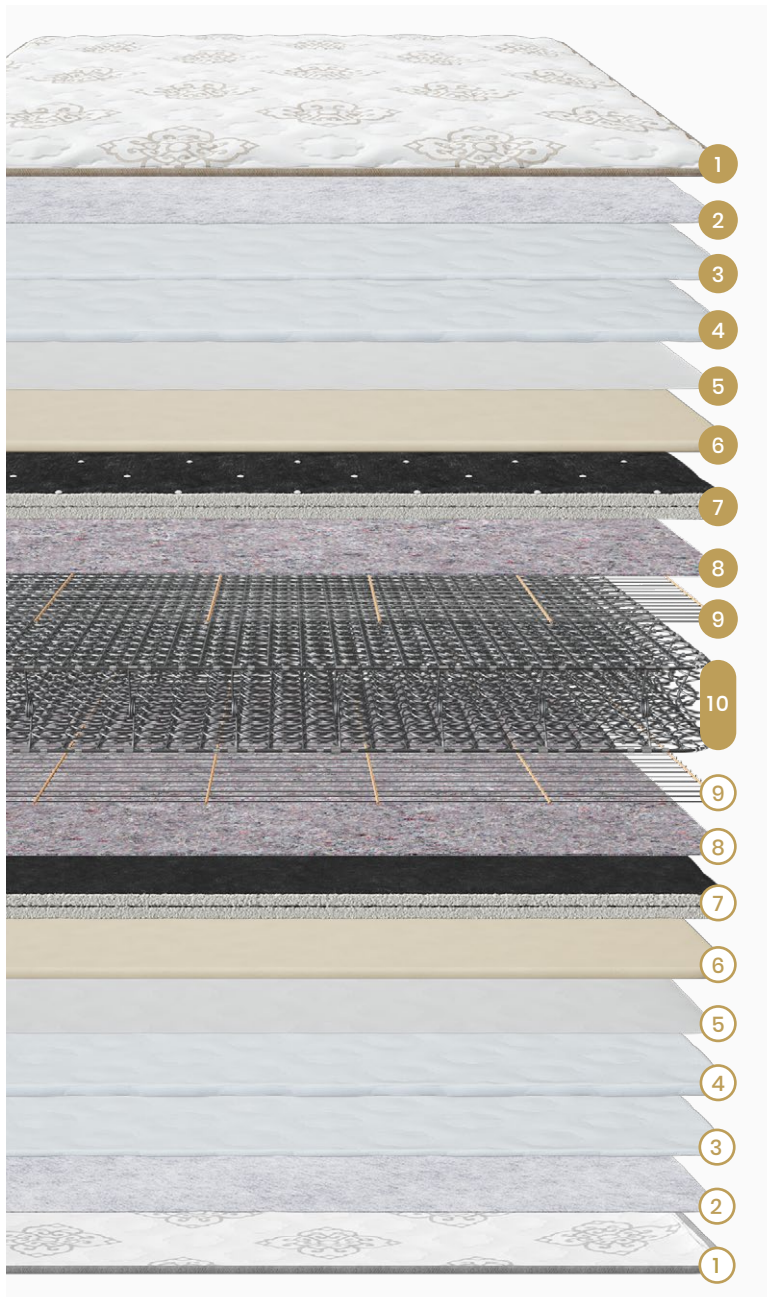

Localized Pressure Relief

Body-supporting comfort provides a responsive sleeping surface for your sleep position and preference.

Uncover Juniper Mattress

THE DOUBLE-SIDED DIFFERENCE

A cotton upholstered, double-sided craftsman-style construction mattress with a quilted, plush service.

1. EXQUISITE QUILTING

Cushioned quilted layers of plush materials for pressure-relieving comfort in a damask fabric.

2. PROTECTIVE FABRIC BARRIER

A combination of fire-retardant materials for safety and protection.

3. CERTIPUR-US® CERTIFIED FOAM

A 1/2" and 1.5 lbs. of non-toxic, plush foam you can feel good sleeping on. It provides a cushiony softness that relieves pressure points and comforts back and stomach sleepers.

4. BODY-CONTOURING COMFORT FOAM

This 1" layer of cushiony softness helps relieve pressure points and comforts back and stomach sleepers.

5. QUILTED BACKING

Brings the cushion layers of support together for no-shifting durability and lasting, consistent comfort.

6. COMFORT PADDING

2 lbs. of body-conforming foam padding create an extra layer of pressure-relieving comfort.

7. 100% STAPLE COTTON BATTING

Two layers of natural cotton batting provide cool, breathable comfort, inner-tufted for enhanced resilience.

8. COTTON FELT INSULATION

A protective blended cotton felt layer that increases the bed's longevity and provides breathable insulation.

9. METAL GRID

Provides a durable, firm sleeping surface for high-quality support that lasts.

10. INNERSPRING CORE

Traditionally constructed with 368 offset coils to provide greater firmness and enhanced longevity with a responsive feel.
