Cushioned quilted layers topped with 100% organic cotton sateen fabric and outer tufted with black rosettes through every circle tuft.

2. ALPACA WOOL

3. ORGANIC WOOL

Chemical-free, naturally hypoallergenic, and temperature-regulating. 2.4 lbs. Of this eco-friendly material keeps you warm in the winter and cool in the summer.

4. NEEDLE PUNCH WOOL

A simple process converts 1.4 lbs. Of this natural fiber into dense dry-felted protective batting. Eco-friendly and breathable.

5. ALL-NATURAL LATEX PADDING

A 3" comfort layer of plant-based, non-toxic material on both sides of the core. This padding is naturally hypoallergenic, antimicrobial, mold, and dust mite resistant.

6. COTTON STITCHING FABRIC

All-natural cotton is strong and soft, ideal for stitching layers together as it will keep its shape.

7. ORGANIC COTTON BATTING

Two layers of natural, durable, breathable cotton on both sides of the core for cool, comfortable sleep and increased durability.

8. NEEDED HORSE HAIR

Provides unparalleled support and premium comfort in a natural insulation layer.

9. DOUBLE-STACKED PREMIUM COILS
