

NATURAL AND ORGANIC 
Aspen Mattress
HERITAGE COLLECTION

OVERVIEW

The Natural and Organic Aspen Mattress is built with upgraded premium materials. The top quilted panel is made with latex and wool instead of a foam and polyester fire barrier. The top quilted panel is wrapped in 100% organic cotton stretch fabric as the panel borders are also made with wool, wrapped in 100% Organic Cotton Sateen.

FEATURES & BENEFITS

Double-Sided

Can be flipped and turned each season for longevity.

Individually Wrapped Coils

This traditional feel provides firm yet responsive support.

Organic Materials

Materials like organic cotton and natural latex.

Natural Wool

Naturally hypoallergenic, and temperature-regulating.

Long-Lasting Durability

Traditionally made with quality materials and thoughtful design.

Clean, Healthy Sleep

Non-toxic, natural materials with no petroleum-based "off-gassing."

Cool Comfort

Natural materials provide breathability for body-temperature regulation.

Localized Pressure Relief

Body-supporting comfort provides a responsive sleeping surface for your sleep position and preference.

NATURAL AND ORGANIC 

Aspen Mattress

THE DOUBLE-SIDED DIFFERENCE

Twice the durability of a single-sided mattress, individually-wrapped innerspring coils with firm support for a motionless sleep experience topped with plush quilted foam & latex on both sides for lasting comfort.

1. 100% ORGANIC COTTON STRETCH FABRIC

Natural material upholstery allows for a flexible, breathable sleeping surface.

2. EXQUISITE QUILTING

Cushioned quilted layers of all-natural materials allow for plush contouring and breathable comfort.

3. NATURAL WOOL

Naturally hypoallergenic, and temperature-regulating. This eco-friendly material keeps you warm in the winter and cool in the summer.

4. QUILTABLE LATEX

Filled with all-natural latex rubber for a soft, breathable, body-conforming feel that keeps you cool while you sleep.

5. QUILTED BACKING

Brings the cushion layers of support together for no-shifting, lasting, consistent comfort.

6. ALL-NATURAL LATEX PADDING

1" of plant-based, non-toxic material on both sides of the core. This padding is naturally hypoallergenic, antimicrobial, mold, and dust mite resistant.

7. INNERSPRING CORE

Traditionally constructed individually-wrapped coils for reduced motion transfer and firm edge support for an expanded sleeping surface, providing greater firmness and enhanced longevity with a responsive feel.

Uncover the *Nature of Great Sleep*

For generations, Custom Comfort Mattress has been dedicated to traditionally handcrafting all-natural and double-sided mattresses in our Southern California factory.
